

Ed Darby Foundation Partner Impact Report

Grantees must report the impact of funds provided by the Ed Darby Foundation. Please respond to the questions below at the end of a program. If the grant is for general operating funds, the Impact Report is due no later than one year following receipt of the funds.

1. Date for Impact Report
2. Organization Name
3. Contact name, email and phone number for this report
4. How much grant funding did you receive from the Ed Darby Foundation?
5. Unique number of students served (include number at different sites if applicable)
6. Measure of student activity (i.e. number of visits, hours in the program, etc.)
7. Budget for the program
8. Cost per student
9. Ed Darby Foundation percent of funding per student.
10. How would you categorize your program (by estimated percent) into these areas of impact?
 - academic enrichment
 - social and emotional enrichment
 - basic needs
 - other
11. Describe how the grant funds were used including dates/timeframe of the program.
12. How did you measure success? To what degree has the program been successful? Do you plan to make adjustments? (Please use metrics whenever possible.)
13. If applicable, please share any stories or anecdotes about a particular child or experience in the program.
